Additional questionnaires were used to collect data on slave inhabitants, mortality, agriculture, products of industry, and social statistics. These questionnaires collected the same information as those in 1850, with a few exceptions.

## Instructions to Marshals and Assistants

The instructions to marshals and assistant marshals were virtually identical to those for the 1850 census, with the exception of guidelines for collecting information on a few additional/modified inquiries. There were slight changes in the instructions' wording; however, these served only to clarify the 1850 instructions.
