

# TABLE FINDING GUIDE—Subjects by Type of Area and Table Number

This guide lists all subjects covered in this report but does not indicate all cross-classifications (e.g., by age or sex) or the historical data shown in some tables. An asterisk (\*) indicates that the table or range of tables presents data for Negroes or persons of Spanish heritage (or origin). A limited amount of data is given for Puerto Rico and outlying areas (see list of contents for chapter A, page 1, and chapter B, page 253). Tables 1 and 49 give statistics on the United States population abroad. Data on allocation rates appear in chapter B, tables B-1 to B-6, and chapter C, tables C-1 to C-4.
