# Virtual Shelf Slice

- Retrieve a slice of a virtual shelf in call number order.
- Physical items are batched at the title level in call number order.
- Virtual shelf spans all campus locations -- even online and satellite content!
- Start from a single known item and see a slice with items on either side of it.

1. Start from Batch 102

2. Get X items before

3. Get X items after

The Journal of Agriculture

Agriculture During the Great Depression

Economics of American Agriculture

The Journal of Agriculture

Farm Policy Analysis

Sheep and Wool

Batch ID: 100 | 101 | 102 | 103 | 104 | 105

These are **Batches**. The system groups titles that are colocated by call number into a single **Batch**.

A **Slice** is made up of one or more batches. This is a **Slice**. It's like a virtual section of shelving.
