- Ask for help when I am uncertain of what to do or how to operate equipment.
- Check in and check out when entering and exiting.
- Use safety guidelines and safety gear (glasses, gloves, and vents) as shown in the orientation.
- Work and behave in a way that protects the safety of myself and others.
- Take responsibility for my own materials and property.
- Leave food and drinks without lids outside the Makerspace.
- Use the Makerspace for maker activities only.
- Report accidents and injuries immediately to Makerspace staff.
- Respect and abide by all NCSU Libraries' guidelines and policies, and the terms of the Use Agreement on page 2 of this document covering intellectual property, lawful purposes, and more.
- Particularly, I will not use the Makerspace to create any objects that endanger anyone, including weapons in violation of N.C. Gen. Stat. § 14-269.2. In compliance with the law and University policies, the Libraries will not print any object that may function as a weapon or part of a weapon.
