2. Access any textbook from Ask Us.

3. Borrow more than books! Explore new worlds with the Oculus Quest. Or solve ancient problems with a graphing calculator. Both available in our tech lending collection.

4. Visit the new Academic Success Center in the Hill Library for writing help and academic assistance.

5. Find your focus—use a study room or meditation space.

6. Learn something new—sewing, beat-making, virtual creation—in one of our workshops. [lib.ncsu.edu/workshops](lib.ncsu.edu/workshops)

7. Get inspired—hear from authors, musicians, artists, and changemakers through our [NC State University Libraries event series](https://lib.ncsu.edu/event-series).

8. Print nearly anything on one of the Makerspace 3D printers!

9. Play a game—video OR tabletop!
