The Friends of the Library is part of the NCSU Foundation.
What is the Friends of the Library?

Since 1947, the Friends of the Library has been a group of community members, faculty, students, alumni, and corporate partners who support the NCSU Libraries.

The Friends enriches the intellectual and cultural environment of the NC State community by promoting excellence in library collections and services, attracting distinguished special collections, and sponsoring special events. The Friends also acts as an advocacy organization by elevating public awareness of and raising funds for the Libraries.

Your Support Makes a Difference

The NCSU Libraries is the gateway to knowledge for North Carolina State University and its partners. As the cornerstone of a great research university, the Libraries supports the science, technology, engineering, and mathematics innovation that is the economic engine of growth for the state.

The generosity of our Friends truly does matter. Your support allows us to provide materials and opportunities to our students and the campus community that would not otherwise be available—including the latest technologies, books, and publications to support teaching and research.

"An investment in knowledge pays the best interest."

—Benjamin Franklin
